We are asking for your help. We want parents to take an active part in the organization and help us to make the SAAA experience positive for all participating youths. Currently, the organization is in the process of re-writing our by-laws to allow for a more democratic form of leadership. We are looking for volunteers to sit on various committees, including but not limited to fundraising committee, field maintenance committee, and concession committee. Please come to us with any ideas you may have, we have an open door policy. We believe that parental involvement is key to the success of the organization.

We are exploring the possibility of having a website built for SAAA, we could use volunteers who have experience in this area. We believe this would be an efficient and effective way to relay information to all who are interested.

We have briefly discussed fundraising ideas for the organization but are looking for feedback from you on what types of fundraising you would like to see. What is easy for you to sell?

Please email your suggestions, questions or any feedback you may have to [SAAAOrganization \[at\] gmail.com](mailto:SAAAOrganization@gmail.com)

Sincerely,

SAAA Board
