18. **General Public Comment**19. **Old / New Business**

The Sewickley Township Supervisors would like to remind all people who live and work within the Township that our storm sewer inlets, curbs and gutters, drainage ditches, and storm pipes discharge directly and untreated into the Youghiogheny River, Sewickley Creek, Little Sewickley Creek, and other natural waterways within the Township. In order to keep our rivers, streams, and lakes clean, we remind residents and businesses not to discard grass clippings, used oil, paints, solvents, pet wastes, or other wastes into the storm drains, onto the street, or into streams or other waterways. Clean up after your pet. Don't let pet waste get washed into the street or down the storm drain. Together, we can protect and preserve the streams, lakes, and rivers in our community.

The Board of Supervisors is looking for any persons interested in serving on the Sutersville-Sewickley Municipal Sewage Authority. Please send letters of interest to the Sewickley Township Municipal Building for consideration.

20. With no further business to come before the Board, motion to adjourn.
